

# MINO BIMAADIZIWIN WELLNESS CENTER

## Client, Guest & Staff *parking*

The Wellness Clinic is located on the first floor of the Mino Bimaadiziwin Apartment Complex and is next to the Red Lake Embassy office.

You need to turn North on 17th Ave. to access the front of the building.

We have a fenced-in parking lot at the end of the block for patients and clients of the Mino Bimaadiziwin Clinic. The lot is located on the same side of the street the clinic is on and is marked as private parking. Please get a pass from the front desk to put in your car upon arrival.

To access the clinic please ring the doorbell that is to the upper left of the door, you will be buzzed in. We are the furthest door from the light rail/parking lot on the ground level.
